MEDIA ALERT: THE CAN DO COLDWELL BANKER TROLLEY SYSTEM LAUNCHES

The Cool Spring Downtown District is pleased to announce that their new trolley system, The Can Do Coldwell Banker Trolley, will launch on Friday, October 15, 2021 to provide free trolley rides between the Historic Haymount Hill District, The B-Street Corridor, and downtown Fayetteville. The organization partnered with Sure Modes of Everyday Transportation, a locally-owned transport company, to manage the day-to-day operations of the trolley system.

Currently, the Trolley will operate every Friday and Saturday from 6:00 – 10:00 PM. As the system gathers awareness and continues to grow, the schedule will expand to include Thursday and Sunday operations.

Thanks to the generous support of Ralph and Linda Huff, Coldwell Banker Advantage, and the Fayetteville New Car Dealers Association, rides on the “Can Do Coldwell Banker” Trolley are free to the general public.

If you are interested in learning more about renting the trolley for a private event or advertising opportunities, please contact Bianca Shoneman at info@coolspringfay.org
